

ENTERPRISE CYBER SECURITY (M) ASSESSMENT OF CONTRIBUTION

Team members are required to complete their own **personal assessment of their team mates** through allocation of 100 points, e.g. an individual may allocate 25 points to each member to indicate equal contribution. The **assessment of contribution from each team member will be used to inform the individual grade for the exercise.**

TEAM

Group I

STUDENT NUMBER OF ASSESSOR

2085227M

The matric number or student number for every member of the team, including yourself, must be listed. The total number of allocated points must equal 100 points. If an assessment of contribution does not include all team members and/or allocated points do not equal 100 points, then assessment will not be used.

TEAM MEMBERS (STUDENT NUMBERS)	ALLOCATED POINTS
2085227	25
2227056	25
2275321	25
2300821	25

The assessment of contribution should be submitted via Moodle as a PDF with own student number as the filename, e.g. 0123456.pdf
